

STAINLESS STEEL GASTRONORM RACK TROLLEY GN PANS 9,18,36

RT785317G36

RT405317G18

RT405390G9

Model No: _____
Quantity: _____

FEATURES:

Trolleys are completely manufactured from stainless steel and equipped with caster wheels, 2 with breaks, tubes are 30x30mm welded corners.

High-version trolleys contain cross beams for extra stability. Pans angles are with initial bends at both ends as stoppers. Angles can hold pans with different depths (Detailed in schedule below).

Double-rack version is designed to easily store pans side by side.

CONSTRUCTION:

Fully welded structure and polished for a monolithic appearance.
